Subject: VSS 2019 Abstract Submission

Dear Lisa Lemmens,

We are pleased to let you know that your abstract (Implicit learning of perceptual distributions in children with ASD) has been accepted for presentation at the 2019 VSS Annual Meeting in St. Pete Beach, Florida. Your **Poster** is scheduled for:

Session Name: **Development: Atypical**
Session Date and Time: **Sunday, May 19, 2019, 2:45 pm - 6:45 pm**
Location: **Pavilion**

Travel award applications are still being reviewed. If you asked to be considered for such an award, you will be notified of the outcome by February 14, 2019.

Please remember that the rules of submission stipulate that the first author must register for the meeting and must be present during the assigned session. To register for the meeting, go to <http://www.visionsciences.org/registration/>. The deadline for early online registration is February 28, 2019.

If you have any questions about your presentation, please contact the VSS office at vss@visionsciences.org.

We look forward to seeing you in St. Pete Beach in May.
